JESUS FESTIVAL

April 24, 2010

Vision: *One day in the year, when the Church in Cebu unites as one Body, One Spirit, One Lord, One Voice, to passionately worship, proclaim, glorify and honor Jesus Christ for revival in our nation.*

We have the honor and privilege of submitting what God has revealed in my heart, conceived ten (10) years ago (during the first month of my mission work here in Cebu) and ten (10) years later (which is this year), **that** revelation will be birthed on April 24th.

This is a summary for a major project that would help boost the tangible presence of the Born Again Church in the Province and City of Cebu.

Our team has received the support from some distinct leaders such as Rev. Ben Tagud, Rev. William Navarrete and the authority from the Provincial and City Fellowship leaders such as Rev. Ezekiel Coscolluela and Rev. Carlos Moncada to put on a massive celebration inclusive of all Born Again Christians in honor of our **Lord Jesus** through a variety of Biblical worship forms called **JESUS FESTIVAL**. This event promises to give reverent true worship to our Lord that invites and incorporates representatives of all Evangelical Church Denominations and Born Again Believers. Our only audience will be the **LORD JESUS** and if we keep a reverent focus on lifting up His name, we hope that He will be so pleased with our efforts that a sustained revival will happen and it will manifest in

tangible actions of the Church of Cebu Island being filled with the fruits of the Holy Spirit that is much love and deed done in accordance with the Royal Law.

The event will include an assembly, a ministry to the poor, a march, and a celebration service with music, exhortation, and dramas. The event planned will encourage group participation. We will stress honoring **Lord Jesus** in many ways: in our life, in our marriage, in our family, in our work, in our community, in our nation and in global evangelization. It will honor **JESUS CHRIST** in song, praise, prayer, generosity and testimonies.

In addition, there will be a ministry fair that will allow specialized ministries to showcase and raise awareness of the many ministry programs they have to offer to the people of Cebu. There will also be a children's program that will exhort and equip children for living in light of the end times. There will be a medical, dental and optometry free clinic, blood letting, feeding and other ministries done unto the poor on this day.... Matthew 25: 34-40

Introducing to fellow Christians of God's revelation to me didn't go easy. As simple as His instructions could be, many made it too complicated as if it is a competition between His plans and ours, His thoughts and ours. However our **LORD JESUS'** victory has been established, therefore an ongoing victory is happening.

Your enthusiastic and supportive response will be much appreciated. It is important to us that no evangelical church would be excluded and that they will enjoy many blessings from lifting up **JESUS CHRIST** on this day.

If you find your heart resonating with ours, please come as you are; make a special trip to Cebu and be a part of the unified worship and celebration. You may partner with us also by sending us the following as you are led: canned goods and meal stuffs, school supplies, vitamins and basic medications, reading eyeglasses, toothbrushes/toothpastes, etc. If sending boxes is too complicated, fund maybe contributed (check made to SFMCC and please indicate "for Jesus Festival") and mail to :
